

Parent/Guardian Agreement
to Publish Student Information/Photos/Student Work on the
Brunswick School Department Web Presence and in
Newspapers

Name of Student: _____ Grade or Class: _____

Parent / Guardian Name(s): _____

Student Information / Photograph / Work to be Published: photos of students with full names,
published student work with full name and age, participation in school produced film clips or
video on public access television

From time to time, the Brunswick School Department publishes student information, photographs or work on its web presence or in newspapers. A copyright notice is also included prohibiting the copying of student work without express written permission. In the event that a request for copying is made, the student's parent/guardian will be notified.

Please indicate below if you do NOT agree to the publication of the information, photograph or published work described above and return this form to your child's teacher or the school office as soon as possible. If you have any questions about this policy, please call your child's building principal.

If this form is not returned, information about your child will be published on the school department web presence or newspapers.

I do not grant permission for my child's information, photograph or work (as described above) to be published on the School Department web presence or newspapers.
