

INTERNET USAGE SAFETY

The Brunswick School Board recognizes the need for appropriate controls governing student access to and use of the Internet. The Board authorizes the Administration to develop and implement regulations designed to: (a) prevent user access over its computer network to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) prevent unauthorized access and other unlawful online activity; (c) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; and (d) comply with the Children's Internet Protection Act [Pub.L.No. 106-554 and 47 USC 254(h)].
