Addition of the Town of Brunswick Recycling and Sustainability Committee as Item 132.

Mrs. Perreault asked to consider making a Brunswick High School access road in the project.

131. Update of Facilities Master Plan Phase II - Lyndon Keck - PDT Architects

Mr. Keck updated the Board on progress on the facilities plan. He presented several options for locations for a bus garage which he illustrated with site plans and cost estimations. Multi-purpose classroom options for Brunswick Junior High School were presented as well as a two-story proposal for Coffin School.

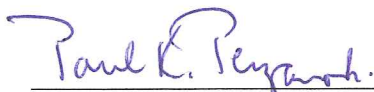

On a motion by Mr. Grant, with a second by Mr. Thompson, it was a unanimous vote of the Board members present to stop work and all consideration of Brunswick Commerce Park Lot 10 for a bus garage as it is not a viable option.
