

2006-2008 Brunswick High School Report Card

<http://www.brunswick.k12.me.us/bhs>

The School: Brunswick High School offers a comprehensive program of academic excellence that affords students the opportunity to realize their potential and make a valuable contribution to society. A full complement of core and extracurricular activities is available to students in grades 9-12. Strong Speech, Debate, Math and Athletic teams are consistently competitive in the state and nation.

The Community: Education, arts and community have always been a trademark of Brunswick, a town of 21,000 residents on Maine's beautiful seacoast situated on Casco Bay. It is 30 miles from the state's largest city, Portland, and the capital, Augusta. Brunswick Naval Air Station and Bowdoin College are both mainstays in the community. Nearby Bath Iron Works is a national leader in yacht and naval design and construction that brings its legacy to Brunswick.

Accreditation: Brunswick High School is accredited through the State of Maine and the New England Association of Schools and Colleges.

Class of 2008 - Post Secondary Plans

Percent Continuing Education: 84%

4 year schools 60%

2 year schools 15%

foreign exchange students 2%

1 year program 1%

military 7%

Graduation Requirements: A student must earn a minimum of 21 1/2 credits and meet the standards in the district's comprehensive local assessment system. Maine Studies is required of all students who have not completed this state requirement. All students must demonstrate computer proficiency. All students must have the following credits to graduate:

English: 4

Science: 2

Fine Arts: 1

Health: 1

Mathematics: 3

Social Studies: 3

Physical Education: 1

Computer Application: 1/2

Students must complete 30 hours of community service as a graduation requirement.

ClassRank GPA: The class rank is based on seven semesters using a 100-point system and is **weighted**. Grade point average is **unweighted**.

Community Service Program: Brunswick High School requires through school board policy a 30 hour community service requirement for graduation. The Class of 2009 and 2010 will be the first classes required to meet this new standard as it is phased in toward full implementation.

Off-Campus Learning Center (at Brunswick High - formerly Union Street School):

The Off-Campus Learning Center is a non-traditional way to earn the 21 credits needed for a Brunswick High School Diploma, a program that emphasizes career skills by working in teams, planning for the future, and taking an active role in learning.

Report Card: The No Child Left Behind Act requires each district and school to disseminate and make public our student achievement test scores on the Maine Educational Assessment (MEA) test. It further requires us to share with the public accountability data and highly qualified teacher information.
