| Spanish 8 | 8 | 14 | 12 |
| Sustained Silent Reading 6 | 22 | 24 | 23 |
| Sustained Silent Reading 7 | 17 | 21 | 20 |
| Sustained Silent Reading 8 | 10 | 23 | 22 |

- RTI support and grade level teams provided the framework for significant improvement in student achievement at BJHS
- Anti-bullying efforts are proving to be successful as measured by requests from other districts for presentations and student feedback. Work needs to continue on peer to peer relationships, preserve small advisor classes, civil rights team and Peer Partner programs to assist with anti-bullying efforts.

## Coffin Elementary School

Regular instruction

Classroom Teachers ..... 19
Art .....  8
Music ..... 1.0
Physical Education .....  8

## Coffin Elementary School Continued

| Grades | Number of <br> Classes | Number of Students | Average Class <br> Size |
| :--- | :--- | :--- | :--- |
| K | 9 | 187 | 20.8 |
| 1 | 8 | 148 | 18.6 |
| Primary Pod | 2 | 41 | 20.5 |

## Coffin Personnel Requests

Covered in the Special Education Portion of the budget.

## Harriet Beecher Stowe Elementary School

Regular instruction

Classroom Teachers ..... 31
Art ..... 1.9
Music ..... 2.0
Physical Education ..... 1.5

## Harriet Beecher Stowe Elementary School Continued

| Grades | Number of <br> Classes | Number of Students | Average Class <br> Size |
| :--- | :--- | :--- | :--- |
| 2 | 8 | 173 | 21.6 |
| 3 | 7 | 141 | 20 |
| 4 | 8 | 166 | 20.7 |
| 5 | 8 | 176 | 22 |

Despite overwhelming transitions and change student achievement K-5 did not significantly decrease.

# Harriet Beecher Stowe Elementary School Continued 

Rational

1.0 Assistant Principal
1.0 Front Office Secretary

A school of 660 students needs administrative support to carry out the daily business of the building; help handle discipline; and effectively evaluate staff.

Needed to cover the workload of 660 student school

## Harriet Beecher Stowe Elementary School Continued

- Based on the decrease of revenue administration support for Harriet Beecher Stowe is not recommended at this time. Support will continue to come from Central Office administration as well as BJHS administration.
- The request for the secretary will be filled through a transfer from BJHS.

## Superintendent's Needs Assessment

Based on administration, School Board, staff and parent input over the last several years the following areas should be considered during strategic planning and future budget deliberations to improve the School Department.

## Preschool

- 4 classes 120 students
- School Readiness
- Literature and revenue support
- Business support
- Reimbursement

## Instructional Consultants

- Coffin - 1
- Harriet Beecher Stowe - 2
- Brunswick Junior High - 2
- Master level teacher assigned to buildings
- Assessment
- Modeling
- Mentoring
- Professional development/curriculum review
- Focus on teaching and learning

## School Psychologist in each Building

- Student evaluation
- Staff consultation
- Behavior plans
- Parent consultation
- Counseling

## Elementary Teachers

Increase elementary teachers by at least 1 in grades K,1,2 to decrease class size.

- Research supports lower class size at the primary level.

## Gifted and Talented

If we truly want to serve $100 \%$ of our students in the gifted and talented program K-12 we would need 2 additional teachers.

## Alternative Education

Increase the alternative education program at
Brunswick Junior High School by 1 teacher and 1 education technician.

- We currently have more students referred than we have slots.

## Clinical Day Treatment

Develop a clinical day treatment program at each level (primary, intermediate, middle, secondary)

- Clinical Educator - x 4
- Therapist/Counselor - x 4
- Psychiatric Consultation -x 4
- Mental Health Worker -x 4

## Summer School

## Develop Summer school at grades K-8 that is self-sustaining.

- Remediation
- Enrichment
- Staff training ground

## Choice School

Provide the opportunity for school department staff to develop a proposal for a choice school
program

- Summer stipends for research
- Coordination with Facility Study
- Results of survey of interests

## Facilities Master Plan

## Completion and support the Facilities Master Plan

- Aging facilities
- $21^{\text {st }}$ Century Education
- Local support and bonding

## Growth and Improvement

Recommendations for growth and improvement should be taken into consideration as the reality of reductions is considered. Elementary classroom teachers and literacy/math support staff should be left intact moving into next year.

## Possible Elementary Reductions

| .9 | Art Teacher |
| :--- | :--- |
| .5 | Guidance Counselor |
| 1 | Education Technician |
| 2 | Resource Assistants |

## Possible Brunswick Junior High Reductions

| .5 | Guidance Counselor |
| :--- | :--- |
| 1.0 | Consumer Science/Health |
| 1.0 | Math |
| 1.0 | Language Arts |
| 1.0 | Science |
| 1.0 | Social Studies |
| 1.0 | Resource Assistants |

## Consequence of Reduction in Force

The aftermath of such cuts would shift our system-wide guidance counselor to the 3-8 level, reduce RTI support staff at Brunswick Junior High School by 2 to accommodate class size and program needs. It would maintain the level of services at the elementary level.

The most important factor in our quest to improve the school department is to support, pass and complete the Facilities Master Plan. We need updated facilities in order to meet community expectations and to address options such as school and program choice.
