RE: LUMP SUM PAYMENT
DATE: 03/24/2015

Please indicate below and notify this office by April 10th whether you wish to receive your paychecks throughout the summer in regular bi-weekly payments or in one lump sum at the close of the school year. If the form is not received by this office by April 10th, payroll will be processed bi-weekly.

Please note that any teacher who has selected a lump sum salary payment for the summer is not eligible for prepayment of expenses for courses taken June through August of that summer.

We will attempt to honor all requests for lump sum payments at the close of the school year or only if necessary, the first payroll in July.

Summer checks and direct deposit earnings statements will be mailed to teachers who supply this office with five self-addressed stamped envelopes.
