**Hiring of Retired Administrators
Conditions of Employment**

The opportunity described below is being implemented as a “sidebar” to the AGREEMENT between the BRUNSWICK SCHOOL BOARD and the CENTRAL OFFICE PROFESSIONAL POSITIONS and COMPENSATION PLAN for BUILDING ADMINISTRATORS that is dated August 8, 2012.

The following “sidebar” will be effective under the requirements of Maine State law for the hiring of retired personnel.

- The sidebar applies only to those members of the bargaining unit who are employed by the Brunswick School Department as of March 01, 2011.
- Several conditions must be met in order to qualify for the “rehire of retired personnel provision” of this bargaining unit. First, the employee must have reached normal retirement age under Maine law and be eligible for full retirement under MPERS, which means generally that:
 - a. The employee must retire with no less than 25 years service credit in the Maine Public Employees Retirement System.
 - b. The employee must be at the age allowing full retirement without penalty under MPERS guidelines (59.5 years or 61.5 years depending on the date MPERS deductions began).
- Also, the employee must have retired, and be collecting the retirement income and benefits earned under MPERS, at the time that he or she is rehired.

1. Any employee who retires under this sidebar agreement may apply for the opening created by his or her retirement after waiting 30 days after ending the position before returning to work. The employee may serve for up to five (5) years after retirement.
2. The retired employee will be hired at no more than 75% of compensation established for this position.
3. The retired employee will not maintain seniority, nor gain new seniority status. As a result, a retired administrator will be listed as the least senior administrator in the appropriate group.
4. The retired employee will be eligible for the yearly allotment of sick days, personal days and bereavement days set out in the Agreement. However, those leave days will not accumulate from year to year.
5. The School Board will not reimburse the retired employee for any medical benefits as per Maine State law.
6. Retired employees shall not be eligible for the Sick Leave Fund, for sabbatical leaves, for retirement stipends, or for longevity payments under the applicable salary schedule.
7. Each retired employee will be evaluated as per the Brunswick Evaluation Plan, but will not be required to attend programs for a new administrator. They will be responsible for maintaining appropriate certification for the position they hold.
