KELLY WENTWORTH
Business Manager

June 17, 2019

Dear Students, Parents, Guardians, Staff and Community Members,

Thanks for supporting the School Department budget at the referendum last Tuesday. We are now in the midst of closing down one fiscal year and beginning another. This Friday is the last day of school for students, completing the make-up days from weather closures.

If you have not had a chance to go by the Kate Furbish Elementary School building project, it is moving along on schedule. The building is taking shape and initial work on the plans for the discovery classroom donated by Bowdoin has begun.

The work on the BHS track replacement will begin this week with a completion date of mid-October as the goal. This will result in adjustments to our fall sports program that will be announced in early July.

I would like to wish all of you a happy and healthy summer. May we all enjoy Maine's gifts over the summer season.

Sincerely,

Paul K. Perzanoski, Superintendent
