

How to Submit a Recurring Day Care Claim

The new Recurring Claims tool allows FSA participants with fixed day care costs to submit just one claim for the entire plan year! This new feature will create a quick and easy submission process for those with qualified recurring day care claims.

What qualifies as a recurring day care claim?

- The expense must be for an eligible day care expense. (For a list of eligible day care expenses Click Here)
- The expense must have a fixed weekly or monthly cost.
- The expense must be from the same provider.

If you have day care expenses that qualify, follow the steps below to submit your recurring claim:
